Ref. No.

Dated: 22- 08- 2023

Structure Stability Certificate

Certified that the school building of Shree Krishna Pranami Public School Situated at Siwani Mandi, Distt Bhiwani (Haryana) having structural as follows, is inspected by me.

My observations are as under :-

- The load of the roofs in on the walls & columns. Strength of walls is sufficient to take the load.
- Building is fully ventilated, lighted and structurally stable.
- The building is constructed as per IS code of specification and standards
- Brick masonry walls are constructed with cement sand mortar and are in good condition. Floors and roofs are also in good condition.

In view of the above observations it is reported that the building of the school is safe for working.
